

# Selborne Priory: Excavations 1953–1971

David Baker and contributors

## Hampshire Field Club Monograph 12 (2015)

*Professor Sir Barry Cunliffe writes “ ... a fine example of an Augustinian religious establishment that also plays a revealing part in the archaeological history of the county, excavated between 1953 and 1969 by a band of enthusiastic local amateurs led by the much-loved Rev George Knapp. Selborne Priory can now take its place in archaeological literature as a monument to all those, amateur and professional, who have worked to bring it to life.”*
