EDITORIAL

The Hampshire Field Club and Archaeological Society accepts articles for publication in the *Proceedings* on the county's natural history, geology, archaeology, history, historic buildings and industrial monuments. The subject editors are very willing to discuss and give advice on prospective articles before they are submitted for consideration by the Editorial Board. Publication of an article in the *Proceedings* does not imply that the Field Club endorses the views expressed, and, although the Editorial Board obtains independent professional opinions on each article, the factual content and the opinions given remain the responsibility of the individual authors.

Articles intended for publication in the *Proceedings* should be sent to the HFC Editorial Board, c/o Richard Whinney, Historic Resources Centre, 75 Hyde Street, Winchester SO23 7DW, from whom 'Instructions for Contributors' can also be obtained. The Editorial Board meets each May to consider articles for the volume to be published in the following calendar year.

The Editorial Board gratefully acknowledges the financial assistance of the following bodies towards the costs of producing this volume:— Historic Buildings and Monuments Commission (for Soffe, Nicholls and Moore), Ministry of Defence (for Ride and James), Hampshire County Council (for local history articles), Hampshire Archaeological Committee (for Holmes), New Forest District Council (for Stagg), Winchester City Museums (for King), Southampton City Council (for Markwick), Portsmouth City Museums (for Rudkin), Portsmouth Polytechnic (for Stagg), King Alfred's College, Winchester (for Doughty), Southampton University (for Oldfield).
