ANNUAL REPORT.

Read at Winchester, May 3rd, 1907.

During the year that has elapsed since the last Annual Meeting no prominent member of the Club has been removed by death. It would not be right, however, to omit a reference to the loss sustained by the sudden death early in January of the Rev. G. N. Godwin, who afforded much help in the formation of the Club, and, although he resigned his membership many years ago, never ceased to take an interest in its proceedings. Mr. Godwin was the life-long friend of the late Mr. T. W. Shore, and a fellow-worker with him in everything relating to the study of Hampshire. His various works illustrating the history and antiquities of the county are too well known to need enumeration.

Immediately after the last Annual Meeting steps were taken to induce the London and South Western Railway to grant to the members the privilege of railway tickets from any station within the borders of the county at one-and-a-quarter fare. Owing to the persevering efforts of the Hon. Treasurer, Mr. Fred. J. Burnett, this boon was at last granted, and the arrangement came into operation in June. Although entailing more work on the Hon. Secretary, the advantage gained is very great, and special thanks are due to Mr. Burnett for a great privilege obtained mainly through his influence and personal interviews with the Superintendent of the Line. It may be added that help and advice were given in this matter by the Secretary of the Yorkshire Naturalists' Union.

Since the death of Mr. Shore, the Hon. Secretary has represented the Club as a delegate to the meetings of the British Association for the advancement of Science, with

which the Club is affiliated. At the meeting held in York last year he was able personally to thank the Yorkshire Society for the help that had been given. Subsequently at a Committee meeting attended by representatives of many County Clubs your Secretary, at the request of the Chairman, Sir Edward Brabrook, C.B., unfolded the plan adopted by the London and South Western Railway in the issue of reduced tickets, and thus gave information to those who wished to obtain a similar concession.

The publication of the memorial volume to the late Mr. Shore is well in hand. Owing, however, to the voluminous amount of matter to be dealt with the work will have to appear in parts.

During 1906 nine meetings of the Club took place, and were as follows:—On May 16th to Shide, Isle of Wight, to visit the Seismological Observatory of Professor Milne, F.R.S. On May 22nd to Milton and Bashley for a Nature Study excursion conducted by the Rev. J. E. Kelsall, of New Milton. On the 12th June to Thruxton, Appleshaw, and Ludgershall. On the 20th June to Paultons Park and House. On the 19th July to Morton, Newchurch, and Arreton, in the Isle of Wight. On the 25th July to the newly-discovered Roman Villa at Westmeon. On the 14th August to Trotton, Cowdray Park, and Eastbourne, in Sussex. On the 12th September to Somerley Park and House, and on the 25th September to Old Basing.

A somewhat new feature in last year's programme was the visiting of private mansions for the purpose of inspecting the treasures of art and antiquity contained in them. These excursions were signally successful, and the Committee feel very grateful to the Earl of Normanton for permission to visit Somerley, and to Capt. H. C. Sloane-Stanley for kindly receiving the members at Paultons, and for hospitable entertainment. Thanks are also due to Dr. Andrews, of Basingstoke, who, although unfortunately unable on account of sudden illness to conduct the excursion to Basing House as arranged, kindly provided tea on the occasion.
